| Learning a language | <input checked="" type="checkbox"/> |
| Improving cognitive functions / brain training | <input type="checkbox"/> |
| Promoting awareness to immigrants | <input type="checkbox"/> |

Summary of the game

Software wants to facilitate starting to learn new languages by meeting the tutor in a VR-environment. Witly offers personal language tutoring for free. Just schedule your lesson with a teacher and meet him face-to-face, even if they live on the other side of the world. Due to VR-equipment players can enjoy perfect social presence like in real-life, with added features that enhance your learning experience.

Technical issues

| | yes | no |
|---|-------------------------------------|-------------------------------------|
| Registration required | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
